

Solvent Recycling with a difference

Planet Paints is fully D.E.S licensed and doing our part for the environment. - **Permit number (EPPR00973213)**

Waste Pick up Prices

**Our drivers can make a case by case assessment.*

For D.E.S. Compliance a charge of \$5.50 per waste pickup will be charged with a WT# recorded on invoice.

Waste Product	20L	60L	200L
*Trade Wash Solvent	\$13.70	\$33.45	\$102.95
*Industrial Wash Solvent	\$29.70	\$66.80	\$183.20
*Solvent Sludge	\$38.55	\$79.70	\$295.70
*Paint Solids	\$48.25	\$144.75	\$485.25
*Water Based Trade Waste	\$48.25	\$144.75	\$485.25

* **Trade wash solvent:** Panel shops using clear over base coat systems.

* **Industrial wash solvent:** Industrial paint users using 2 pacs and enamels – line wash.

* **Solvent sludge:** More than 25% paint – not high solvent yield.

* **Paint solids:** More than 50% paint – very little solvent yield.

* **Water Based Trade Waste:** Panel shops using water based base coat system – No solvent yield

Gunwash Prices	20L	200L
With clean exchange drum	\$58.20	\$450.00
Without clean exchange drum	\$66.00	\$500.00
No waste and/or exchange drum provided	\$73.30	\$625.05
